

Ad Text for November Radio Campaign

WE'D LIKE TO TELL ATHEISTS WHERE TO GO! Not just Atheists actually ... but agnostics, freethinkers, humanists and anyone who is just plain non-religious. You can go straight to ... the Secular Directory at GodlessGroups dot org. That's GodlessGroups dot O-R-G, THE place to find other godless people just like you!

America today is BURSTING with atheist, agnostic, freethought, and humanist groups. If you don't believe in a god and are seeking to meet others of like mind and interests or just want to find groups that can give you a larger voice in our culture, you need GodlessGroups dot org. You can find everything from education groups to support groups to atheist churches! Wherever you live in the United States or Canada you'll find groups for you. When you get to the site, just type in your city and state and, just like that, all of those nearby godless groups will pop up.

We LIVE to tell atheists where to go! So go right now to GodlessGroups dot O-R-G. GodlessGroups dot ORG.
