

United Coalition of Reason was formed in 2009 to assist local groups and coordinate their efforts towards the goal of raising their public profiles. **UnitedCoR** is independent but works in harmony with many national and state organisations to foster and develop the success and diversity of local groups—not change their nature, as local CoRs are also independent. Our aim is to make unaffiliated nontheists aware of local groups and their activities and become actively involved.

If you would like to form a coalition, you will need a minimum of 3 cooperating groups. Once you have this, contact us at coordinator@unitedcor.org and we will help you do the rest.

What CoR can do for your groups

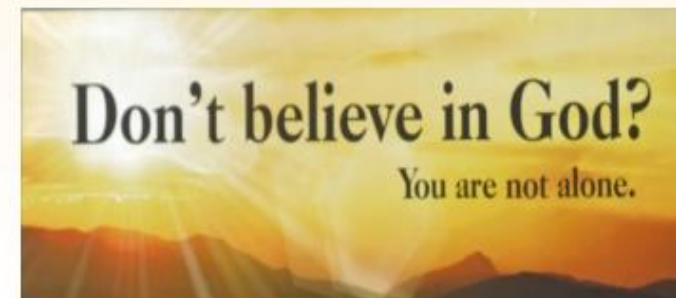

- We offer free web hosting and a design template for the local CoR website.
- We can facilitate public relations and media training.
- Assist with local and national publicity campaigns.
- Provide materials to increase positive awareness of nontheism in local communities.
- Provide a variety of resources on our webpage, free of charge.
